

Farewell, First Grade!

Dear Parents,

It's been a great year filled with lots of hard work, curriculum, and laughter. We've had many fun-filled adventures in First Grade. It is hard to believe that our year is already coming to an end! I am so proud of your children. They have learned so much this year and they have shown so much growth!

The following page includes a Summer Activities Checklist that your child can do to help prepare him/her into the next grade level. I am including a reading log that will allow your child an opportunity to reflect on RAZ-kids books as well as other leveled books. I highly encourage all of you to sign your child up for the wonderful Summer Reading Program at the Morgan Hill Library, and READ, READ, READ! Helping your child do so will improve confidence, comprehension, and fluency. In addition, math practice sheets can be downloaded from the First Grade SchoolSpeak page to review math facts with your child over the summer.

I hope that your students will take these memories and more with them to their next adventure—2nd Grade! Tell your students to come visit me next door! Have a restful and blessed summer!

Dream BIG,

Mrs. R ☺

Mrs. Rinaldo "Mrs. R." ☺

SUMMER ACTIVITIES CHECKLIST

- Read 5 RAZ books (you choose) and pass quizzes
- Read 5 other books (see 1st Grade Summer Reading List attached)
- Do SCOOTPAD Assignments (you will see them on the dashboard)
- Start a journal and write down all your summer memories (include pictures)
- Fill-out READING LOG (attached)
- Learn something new!
- Practice Math Timed Tests (Please see the First Grade SchoolSpeak page to download)
